

## Dave Baker's Retirement

April 1<sup>st</sup> was Dave Baker's last day at HEI Engineering Group. He decided it was time to retire and enjoy his time with his family and grandchildren.

A party was thrown for him at the Pine Tree Barn for him with his family, co-workers and their families. It was a great time reminiscing about old times and meeting with all of the families.

Dave will be greatly missed at HEI and we wish him well on his new adventures!
